

General Information

Issuance

An invaluable annual publication, the NYSCHSA Yearbook & Directory serves as a reference directory for all New York State county highway superintendents and commissioners of public works, and contains informative articles and historical information.

Established: 1958

Placement Policy

Advertisements placed at standard page rates will be interspersed throughout the editorial at the sole discretion of the publisher. Please indicate on the contract those companies you would not like to be placed near.

Circulation

Over 1,500 copies of the New York State County Highway Superintendents Association annual yearbook is circulated each year. These readers include county highway superintendents, commissioners, engineers, county delegates and state officials.

Retention of Ad Copy

Files are held by the Association unless other instructions are received from the advertiser.

Publication Schedule

Issue: Summer 2019

Space Reservation Deadline: May 1, 2019
